Each booth space is exactly 8 feet wide, 5 feet deep and 7 feet high.

Your booth includes a 6 foot table, tablecloth and four chairs.

Every booth has electricity. Employers do not need to request this in addition to the booth. There is no additional charge.

Since there are changes being made right up until the day of the fair, we will not be able to tell you your booth location ahead of time.

Out of respect for other employers, please keep your displays to 8 feet. Displays exceeding the booth size will be asked to be taken down.

We partner with local hotels to reserve a group rate for the fairs. Please see our website for the most current group rate.

Under 'Employer FAQs', click 'What hotels are available?'

Should your circumstances change and you are unable to attend the fair, you must contact the Event Manager at BYUcareerevents@byu.edu no later than 14 days prior to the event for a full refund and 5 business days prior to the event for a half refund. If you cancel within 4 business days or do not attend the fair, no refund will be given. Refunds are processed within 60 days after the fair.
