TEACHING EXPERIENCE

Student Teacher

Dixon Middle School

January 2017-Present
Provo, UT

- Taught 6 classes of 162 students for 7th Grade Integrated Science
- Planned and executed hands-on laboratory activities with students to reinforce scientific thought and USOE core curriculum
- Adapted lesson plans based on pre-tests and formative assessments
- Participated in Faculty and Department meetings to improve learning in the classroom
- Communicated in both English and Spanish with parents during parent-teacher conferences
- Managed difficult behavior problems as well as intervention with students needing remedial aid

Substitute Teacher

Kelly Services

September 2016-Present
Provo, UT

- Implemented course curriculum given in the absence of regular teacher in order to continue student learning in both English and Spanish
- Managed student behavior and ensured classroom order, safety, and fairness

RELATED EXPERIENCE

Especially For Youth Counselor

Brigham Young University

May-August 2015, 2016
Provo, UT

- Ensured the physical and well-being of each participant, specifically an assigned group of 10-15 youth of the corresponding gender
- Executed various duties of the Especially For Youth program as assigned, including completing evaluations on time and as directed
- Prepared lessons for formal teaching with and without a co-teacher to up to 35 youth participants

High School Science Tutor

American International School of Utah

November 2014-May 2015
Murray, UT

- Worked effectively with students with diverse learning needs and cultural backgrounds
- Explained complex concepts using easy-to-understand terms in the subject of Biology
- Assist teacher in executing lab assignments and carry out learning objectives

Youth Camp Counselor

Oakcrest Girl's Camp

May 2010-Aug 2010 & May 2011-Aug 2011
Kamas, UT

- Provided an uplifting learning experience weekly for various groups of 10-12 teenage girls over the course of the summer; positively affecting hundreds of girls
- Responded effectively, cheerfully, and compassionately to challenges brought on by teenage girls and other staff members
